Dear Joan,

Thank you for your letter.

ENDAs, as the European Management Organisation of Nursing Directors, are very interested in constantly working with other professionals to improve the quality and safety for our patients and to increase our professional work and working conditions. Therefore, we as ENDA, feel it is very important to endorse your European Statement of Hospital Pharmacy.

Please let me know, if you have any specific thoughts or ideas on how we can further support you.

Kind regards

Iris Meyenburg-Altward
Nursing Director
President of ENDA
